1. In response to amendment filed on 21 March 2005, the amendment to the claims is accepted and specification is accepted.

Allowable Subject Matter

2. The following is an examiner's statement of reasons for allowance: Claims 29-56 are allowed, in view of amendment to the independent claims as well as arguments indicated on page 15, "The transform in '299 is a space-frequency transform (col. 3, line 28) ... The transform in the present invention is an algebraic form ... This is in contrast to the encryption step being applied to transformed coefficient map containing frequency and spatial data in '299. Note that '299 teaches away from the present invention in this regard".

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
